

Dear Future Aviator:

New Orleans Aerial Tours & Flight Training LLC (NOAT&FT) has been operating over the last 18 years from the New Orleans Lakefront Airport, which is just 12 miles east of the New Orleans International Airport. NOAT&FT has approvals from the FAA, Veterans Affairs, and SEVIS giving students from all around the world all the tools necessary to succeed. Graduating students of NOAT&FT have one of the highest employment rates in the industry. We assist all students in locating employment by corporations and airlines.

At NOAT&FT, our flight instructors are chosen with special care. All of our ground crew and flight staff are selected for their professionalism, enthusiasm, and ability to communicate effectively and are trained to meet rigorous FAA standards. This unique combination provides students with optimum training conditions and ensures that they get the full benefit of our staff's knowledge and experience. We maintain a staff of at least 4 flight instructors and equip our facility with Cessna and Piper aircrafts. We are also approved for in-house examining authority for Instrument Ratings and are working toward in-house examining authority for the rest of the ratings we offer.

We specialize in providing accelerated flight training and finish-up courses from Private Pilot to Airline Transport Pilot. NOAT&FT offers formal ground schools, airline oriented flight training, comprehensive flight training syllabus, and crew resource management as part of the Right Seat Direct. In only 8 months, we can take you from zero flight experience to a fully trained Flight Instructor with all the certificates and ratings you will need to land your first job in the aviation industry. It is as a paid Flight Instructor you gain that additional flight time required to satisfy the aviation industry's hiring requirements. All NOAT&FT graduates are eligible for employment with NOAT&FT upon completion of their training.

According to an article in USA Today, over the next 20 years airlines are adding to their fleets, however there are not enough pilots to fill the cockpits. Nearly half a million pilots are needed between now and 2031 in order to fill the demands of the growing economies and population. A career in the aviation industry offers various career paths for a pilot, which can include positions in commercial airlines, corporate airlines, charter services as well as the military.

An aviation career is your gateway to the sky. We hope to see you soon at our facility flying with us.

Sincerely,

Ankur Hukmani
Chief Instructor

APPLICATION FOR ADMISSION

PERSONAL INFORMATION - Please type or print Today's Date: _____

Name: _____ Tel: _____

Current Address: _____ Fax: _____

ENROLLMENT

After this application is accepted by New Orleans Aerial Tours & Flight Training, you will receive an email including our Training Course Outline and a hard copy of your Enrollment Certificate upon your first lesson. Our estimate of training will be based upon the Application for Admission, so please give complete and accurate information.

NON U.S. CITIZENS

A non-U.S. Citizen must submit proof of financial ability (certified letter from your bank), proof of English language proficiency (i.e. TOEFL), and a record of having completed twelve years of academic education (high school) with the Application for Admission. You must also submit a copy of your passport and copy of country equivalent Pilot Medical Exam.

APPLICATION

I wish to gain admission to New Orleans Aerial Tours & Flight Training. My wire transfer receipt, credit card request, check, or money order in the amount of the applicable domestic or international application fee is enclosed. If paying by credit card, a copy of the card must accompany the request. If paying by wire transfer, I understand that the application will not be processed until funds are received. I understand that withholding information requested in this application or giving false information may make me ineligible for admission or continuing at New Orleans Aerial Tours & Flight Training.

By signing this application, I agree to adhere to all policies and procedures as set forth in the New Orleans Aerial Tours & Flight Training Student Training and Aircraft Rental Agreement or the Flight Training Agreement, the Training Course Outline (TCO), and FAA regulations (FAR AIM). Furthermore, it will be my responsibility to update and comply with any new policies and procedures as set forth by New Orleans Aerial Tours & Flight Training. I certify that the above statements are correct and complete.

Applicant's Signature _____ Date _____

If under 18 years of age, the following must be signed by a parent or legal guardian. The undersigned, being the parent or legal guardian of the above named applicant, consents to the application for admission at New Orleans Aerial Tours & Flight Training.

Parent Legal Guardian

New Orleans Aerial Tours & Flight Training LLC is an Equal Opportunity School.

U.S. STUDENTS

Please submit the following with your application:

- 1 \$100.00 Non-Refundable Application Fee
- 2 Proof of Citizenship (Copy of U.S. Passport or Birth Certificate)
- 3 Copy of Driver's License (Enlarged 150%)
- 4 Pilot Data Sheet
- 5 Signed Maintenance Discrepancies Policy
- 6 Signed Student Training and Aircraft Rental Agreement
- 7 Signed Cancellation Policy
- 8 Signed Flight Schedule Pro Policy
- 9 Signed Training Record Agreement
- 10 Copy of FAA 3rd Class Medical
- 11 Proof of Non-owned Aircraft Insurance
- 12 Current Airman Certificate if applying for a rating other than Private

VA STUDENTS

Please submit the following with your application:

- 1 \$100.00 Non-Refundable Application Fee
- 2 Proof of Citizenship (Copy of U.S. Passport or Birth Certificate)
- 3 Copy of Driver's License (Enlarged 150%)
- 4 Copy of Private Pilot Certificate or better
- 5 Pilot Data Sheet
- 6 Signed Maintenance Discrepancies Policy
- 7 Signed Student Training and Aircraft Rental Agreement
- 8 Signed Cancellation Policy
- 9 Signed Flight Schedule Pro Policy
- 10 Signed Training Record Agreement
- 11 Copy of FAA 2nd Class Medical
- 12 Proof of Non-owned Aircraft Insurance
- 13 Veterans Affairs Letter of Eligibility (Instrument applicants must be dually enrolled in Instrument and Commercial.)

INTERNATIONAL STUDENTS

Please submit the following with your application:

- 1 Applicable Non-Refundable Application Fee
- 2 Proof of Education (Copy of high school diploma or higher)
- 3 Proof of English Proficiency (Transcripts of English Proficiency or TOEFL score of 550 for written exam, 215 for computer exam. Go to www.toefl.org)
- 4 Copy of country equivalent Pilot Medical Exam
- 5 Copy of FAA 3rd Class Medical
- 7 Proof of Financial Ability to pay for training and living expenses
- 8 Valid Government Issued Photo ID (Enlarged 150%)
- 9 Copy of Passport (Photo must NOT be a copy of a copy; should be clear/legible and preferably in color)
- 9 Estimate for Program
- 10 Pilot Data Sheet
- 11 Signed Maintenance Discrepancies Policy
- 12 Signed Student Training and Aircraft Rental Agreement
- 13 Signed Cancellation Policy

- 14 Signed Flight Schedule Pro Policy
 - 15 Signed Training Record Agreement
 - 16 Signed Flight Training Agreement
 - 17 Proof of Non-owned Aircraft Insurance

FLIGHT SCHEDULE PRO POLICY

I, _____, the student/renter, understand that I am responsible for my schedule. The schedule is maintained and I may access my schedule via our online flight scheduling system, Flight Schedule Pro, flightschedulepro.com.

I understand that I can add or remove an appointment myself using Flight Schedule Pro online or by calling New Orleans Aerial Tours & Flight Training LLC (NOAT&FT). If I call to schedule an appointment and it is scheduled incorrectly (either wrong date, time or length of reservation), I must immediately notify NOAT&FT. If I do not have enough funds on account and I schedule an appointment, I understand that NOAT&FT will charge the payment method I have on file for the balance due for the reservation(s) made. Should it be necessary, it is my responsibility to cancel or change my scheduled appointment 72 hours prior to flight. I will receive an automated email reminder at the time an appointment is made and another 72 hours prior to the reserved time.

I understand that I will receive an email invitation to Flight Schedule Pro and, from the link provided therein, will create a login, which provides me access to online scheduling. I can view the current schedule and my reservations online or through the Flight Schedule Pro App. I designate the following email address as an approved/authorized method to communicate reservation notifications and reminders:

I understand that I am responsible for checking my email and/or the Flight Schedule Pro website/app for notifications/reminders regarding my lessons.

I designate the following phone number as an approved/authorized method to communicate reservation notifications and reminders via SMS/text messaging: _____

I understand that by opting-in to text message notifications from New Orleans Aerial Tours & Flight Training/ Flight Schedule Pro, message rates and data charges from your carrier may apply when sending or receiving text messages and NOAT&FT is not responsible for carrier fees.

MAINTENANCE DISCREPANCIES POLICY

Any maintenance discrepancies found pre/post or during flight will be reported and documented on the ACR by the student and/or the instructor immediately. The ACR will be brought to the Maintenance Supervisor who will enter the squawk into FSP and determine the appropriate action to be taken. The Maintenance Supervisor will also update the maintenance boards located in front office. ACR will be returned after entry into FSP to Hobbs book. Status sheet (red = GROUNDED, yellow = RESTRICTED, blue = DEFERRED) and ACR will be placed in front cover of Hobbs book by Maintenance Supervisor to indicate maintenance decision. For aircraft grounding purposes, Maintenance Supervisor will submit the keys and Hobbs book to the front desk to be picked up by mechanic. To release aircraft back to service, the Maintenance Supervisor will remove the status sheet, update maintenance boards, resolve FSP squawk, sign ACR, and place keys and Hobbs book back at the front desk once the discrepancy is fixed by the mechanic. All discrepancies will be maintained in the Hobbs book for a period of 30 days, and then filed permanently in the aircraft maintenance folder by the Office Assistant.

Maintenance Supervisor = Ankur Hukmani, Krystal Hukmani, or Brooke Rabon

Maintenance Facility = New Orleans Aerial Tours & Flight Training

Mechanic = Errol Terrio

I, _____, acknowledge New Orleans Aerial Tours & Flight Training LLC Maintenance Discrepancies Policy.

Signature: _____ Date: _____

Definitions:

1. ACR – stands for Aircraft Condition Record and is used to report details about the maintenance discrepancy.
2. FSP – stands for Flight Schedule Pro and is our online scheduling and maintenance system.

If under 18 years of age, the following must be signed by a parent or legal guardian. The undersigned, being the parent or legal guardian of the above-named applicant, consents to the Maintenance Discrepancies Policy at New Orleans Aerial Tours & Flight Training.

CANCELLATION POLICY

I, the student/renter, am responsible for contacting New Orleans Aerial Tours & Flight Training LLC (NOAT&FT) Administration (Chief Instructor, Managing Director, or Assistant/Office Manager), not just my instructor, 72 hours prior to scheduled departure time to cancel or reschedule my flight. I will be assessed a \$75 fee if the flight is cancelled 72 to 48 hours before reservation. If the reservation is cancelled within 48 hours of the scheduled time, I will be assessed a fee as follows:

- For reservations that include time with an instructor the fee is equal to one hour of ground instruction and one hour of flight instruction plus one additional hour of dual instruction for reservations over three hours.
- For rental reservations the fee is equal to one hour of solo rental for every two hours of time reserved.

I, the student/renter, understand that if I choose to schedule/reserve a flight with New Orleans Aerial Tours & Flight Training less than 72 hours prior to my requested date/time that the cancellation terms still apply, which means I will not be able to cancel nor reschedule without incurring the fee according to the breakdown provided and that by choosing to book with less notice, I will receive an email confirming the reservation only and may not receive the automated email reminder.

Extenuating circumstances will be taken into account; cancellation and/or flight change fees may be reduced or waived at the discretion of NOAT&FT Administration. If student/renter is not physically fit to fly, a doctors' excuse must be presented for consideration, or if reservation is for a student, student can choose to come in for ground school in lieu of flight. Flights cancelled or changed 72-hours or more before reservation will incur no cancellation fee or flight change fee. No cancellation fees will be assessed for reservations cancelled due to inclement weather as confirmed by NOAT&FT Administration, not just my instructor; however, they will be rescheduled for another day as agreed and convenient to the student/renter's schedule.

I, the student/renter, have read and understand this agreement, and agree to its terms and condition.

TRAINING RECORD POLICY

I, _____, acknowledge New Orleans Aerial Tours & Flight Training LLC (NOAT&FT) Training Record Policy.

Upon enrollment, the training record becomes the property of New Orleans Aerial Tours & Flight Training. Per FAA regulations, physical records shall not leave the offices of NOAT&FT at any time during or after the flight training period of each student.

Student shall have the right to inspect such files upon reasonable notice to NOAT&FT. An official transcript can be requested for a fee of \$100.00 per student/per training record. You must allow 7 business days for transcript to be completed. Any shipping costs incurred will be paid by student in addition to the transcript fee.

Student Training & Aircraft Rental Agreement

I, the student/renter, agree to comply with all federal, state, and local regulations.

I, the student/renter, will inspect and make a complete pre-flight check of the aircraft and its equipment and accessories before takeoff using the manufacturer's recommended publications and/or the flight school's required documents and will not operate the aircraft unless I, the student/renter, am satisfied with its airworthiness and the proper function of all equipment and accessories.

I, the student/renter, agree to return the aircraft at the scheduled time, weather permitting, and will return it in the same condition that I received it, with the exception of normal wear and tear, and fuel and oil consumed. I, the student/renter, will call the flight school dispatch if delays to my scheduled flight times are encountered.

I, the student/renter, agree not to allow anyone other than myself to operate or manipulate the controls or equipment/accessories while the aircraft is in operation.

I, the student/renter, will have all SFAR73 endorsements before any Robinson helicopter operations.

I, the student/renter, agree to use the aircraft solely for the purpose of personal, recreational flying and will not use the aircraft for any type of instruction or for hire or for any other commercial use or activity.

I, the student/renter, will not make any flight for which I have not met FAA and/or flight school currency requirements and insurance requirements.

I, the student/renter, understand that I must hold a current FAA medical certificate and be properly certificated in category and class, or have obtained a Basic Med certificate. Currency requirements set forth in FAR 61.57 must also be met.

I, the student/renter, understand that I must also hold the appropriate complex aircraft sign-off, if applicable to the rental.

I, the student/renter, understand it is my responsibility to have copies of these documents and my currency records available for review prior to flight.

I, the student/renter, am aware that an aircraft checkout with a staff flight instructor is required prior to any rental. It is my responsibility to complete the written and flight school currency sheet and keep a copy in my file. A rental checkout will consist of at least one hour of flight time and will include a review of takeoffs and landings, flight at minimum controllable airspeeds, stalls and recoveries, aircraft systems and appropriate operating speeds.

I, the student/renter, also agree to comply with company policy requiring recurrent training and proficiency checks.

I, the student/renter, agree all cross-country solo flights will be completed at least one hour prior to sunset and agree not to fly at night unless authorized and current to fly at night. All other flights must be completed prior to civil sunset, unless prior approval is obtained from NOAT&FT Administration.

I, the student/renter, will not make any off-airport or water landings, as stated in the Flight School Regulations/Safety Procedures.

I, the student/renter, agree not to land at any public/private airports that are not authorized by the flight school.

I, the student, agree to file and open a flight plan with the FAA on all flights that exceed 25 nm and provide a copy of the flight plan as stated in the Flight School Regulations/Safety Procedures. For all flights less than 25 nm, I, the student, agree to request flight following from ATC. For all flights after normal business hours, I, student/renter agree to send a text message to NOAT&FT Administration prior to departure and immediately after arrival unless I am with an instructor.

I, the student/renter, agree to obtain weather reports and forecasts as stated in the Flight School Regulations/Safety Procedures.

I, the student, agree to discontinue flight if the ceiling and visibility, as stated in the Flight School Regulations/Safety Procedures, are less than the minimums at any time during the flight. Renters shall follow the published requirements.

I, the student/renter, will not attempt a flight if winds are greater than stated in the Flight School Regulations/Safety Procedures and agree to discontinue the flight at any time the winds exceed these stated minimums. Renters shall not land at any airport where the crosswinds exceed demonstrated crosswind capacity.

I, the student/renter, will have on my personal possession during each flight: a pilot certificate with appropriate ratings, a current medical certificate, proper identification (passport or photo ID), and my pilot logbook.

I, the student/renter, will not operate the aircraft within 12 hours of drinking an alcoholic beverage or if using any type of prescription or non-prescription drug that may affect my flying.

I, the student/renter, will not smoke in or within 50 feet of any company aircraft.

I, the student/renter, will not operate the aircraft without the appropriate supplied floatation devices for all occupants on board.

I, the student/renter, will not operate the aircraft at an altitude below that which would permit a safe landing without hazard to persons or property on the ground, except in a normal approach to landing.

I, the student/renter, will not practice or intentionally conduct a spin.

I, the student/renter, will land only on public use, paved runways with a minimum length of 3000 feet and a minimum width of 50 feet.

I, the student/renter, agree to exercise extreme caution when taxiing, operating, parking near any other aircraft, structure, or vehicle while operating the aircraft. I, the student/renter, can recruit a school/company official to assist with parking if one is available.

I, the student/renter, will ensure that the aircraft has sufficient fuel on board to arrive at my destination with at least a one-hour reserve and will discontinue the flight if my reserves are less than the minimum.

I, the student/renter, agree to report any accident/incident/emergency/precautionary procedures in accordance with the Flight School Regulations/Safety Procedures.

I, the student/renter, agree that in the event of precautionary/emergency landing, I, the student/renter, am solely responsible for the safety and security of the aircraft until relieved by a school/company official.

I, the student/renter, will not begin a flight unless the doors are latched and secure and I, the student/renter, have inspected the fuel filler cap(s) and oil filler cap(s) for their security.

I, the student/renter, agree that the school/company will not be liable or responsible for any loss or consequential damages suffered by me due to aircraft availability, malfunction, or my failure to arrive at my destination on a timely basis.

I, the student/renter, agree that the school/company makes no implied or express warranties concerning this rental.

I, the student/renter, agree to pay for all posted charges that may be paid by the school/company on my behalf as a result of any of my flights.

I, the student/renter, understand and agree that I, the student/renter, must pay for all fuel charges, facility fees, and landing fees etc. incurred on any of my flights including cross-country flights. New Orleans Aerial Tours & Flight Training LLC will reimburse me for the fuel up to the prevailing rate per gallon established at their New Orleans base. Any other ancillary fees associated with landing at an airport other than the base airport at KNEW are the student/renter responsibility.

I, the student/renter, agree to report all aircraft discrepancies/malfunctions immediately for both local and distant flights as outlined in the Maintenance Discrepancies Policy. Once a discrepancy is reported, maintenance must sign-off the aircraft to resume flight locally if the aircraft was determined to be unairworthy for flight.

I, the student/renter, will not begin flight unless authorized by a school/company dispatcher/instructor or other authorized person immediately prior to a local flight. In the case of a distant flight, I, the student/renter, will notify

the flight school of the problem. The flight school has final authority to make the decision on how best to handle distant discrepancies.

I, the student/renter, understand that I, the student/renter, will be responsible for any costs arising in case of my careless and reckless operation of the aircraft.

I, the student/renter, further release New Orleans Aerial Tours & Flight Training LLC from any legal liabilities arising from I, the student/renter.

I, the student/renter, also understand that I, the student/renter, will be liable for any loss of revenue to the school. A minimum of 3 hours per day shall be charged until the aircraft is returned and operable.

I, the student/renter, also understand that I, the student/renter, cannot hold New Orleans Aerial Tours & Flight Training LLC liable for injury/death occurring due to my rental of any aircraft.

I, the student/renter, will be responsible for any passengers that I may carry.

I, the student/renter, have received, read, acknowledge and understand the Cancellation Policy, Maintenance Discrepancies Policy, and Flight Schedule Pro Policy.

I, the student/renter, acknowledge that New Orleans Aerial Tours & Flight Training LLC requires that all students/renters carry additional personal student pilot/non-owned aircraft insurance to cover any costs arising from damage to aircraft/persons/property while the student/renter is on board the aircraft. The non-owned aircraft insurance must meet a minimum of \$50,000 physical damage per occurrence or better and contain a minimum liability coverage of \$250,000 each occurrence passenger bodily injury to \$25,000 per passenger or better. A copy of student pilot/non-owned aircraft insurance is required to begin training/rent aircraft. In the event of an accident or incident, a claim will be filed first on student/renter insurance policy. The student/renter will be responsible for all liabilities arising from damage. Should the Non-Owned Aircraft Insurance not provide sufficient coverage and a claim need to be filed on company policy, student/renter will also be responsible and agree to pay the \$5000 deductible when not in motion and/or the \$5000 deductible when in motion for all fixed wing aircraft and/or the \$50,000 deductible for helicopter operations or the then current deductible on the insurance policy if more than listed herein.

Notice to student/renter pilots: All school/company aircraft are insured to the following liability limits:

Each Occurrence: \$1,000,000

Each Passenger: \$100,000

In the event of an accident/incident resulting in damage or injury to persons or property on the ground or damage to the aircraft, student/renter will be held responsible.

I, the student/renter, on this, the _____ day of _____, _____ have read and understand this agreement and agree to all terms and conditions. I, the student/renter, understand that the NOAT&FT Training Course Outline (TCO), FAA regulations (FAR-AIM), FAA Airman Certification Standards (ACS), text, email and verbal communications from NOAT&FT are an extension of this agreement.
