Two Accelerated Paths to Your Degree and ATP You Decide the Path That's Right For You

Graduate in less than 3 years

- Complete flight training in 12 months
- Begin working as a flight instructor in your sophomore year
- Accumulate flight hours for your R-ATP or ATP

Graduate in less than 4 years

- Complete flight training in 24 months
- Begin working as a flight instructor in your junior year
- Accumulate flight hours for your R-ATP or ATP

Earn credit for your industry certifications and receive a tuition reduction on your remaining courses

You could earn up to 45 credits toward your bachelor's degree—that's a savings of \$18,400 if you already possess the following certifications[†]:

- Private Pilot Certification
- Instrument Rating
- Commercial Pilot Certificate
- Flight Instructor Certificate
- Multiengine Rating

You may also receive a 20% tuition reduction on the remaining courses after transferring your certifications—that's an additional savings of \$10,017[‡].

Flight route to Airline Transport Pilot (ATP)

Purdue Global partners with flight schools across the country to help you earn the required flight certificates if you do not already possess them. Enroll with Purdue Global and start earning flight hours toward your ATP.

Realize your aviation career goals

Whatever your aviation experience level, graduating with a bachelor's degree in professional flight at Purdue Global equips you for success with the knowledge, certificates[§], and ratings for the following career opportunities:

- Flight instructor
- Business aviation pilot
- Airline pilot
- Charter pilot

Admission Requirements

- Students must hold a Private Pilot Certificate prior to enrollment into the program.
- Students must also hold a first class medical certificate prior to enrollment.
- Students must have graduated high school or obtained a GED.

Find a Purdue Global-approved flight school near you.
Visit Aviation.PurdueGlobal.edu or 844-PURDUE-G.

*Purdue Global cannot guarantee employment or career advancement.

†See University Catalog for Prior Learning Assessment policy.

‡Must be enrolled with a Purdue Global flight training alliance partner. Contact an Admissions Advisor for details. Books and course materials are included in the price of tuition for all undergraduate courses. Tuition rates subject to change at Purdue Global's discretion at any time, and as a result, the tuition price may change.

§Students are responsible for understanding the requirements of certification exams. The University cannot guarantee students will be eligible to sit for or pass exams. In some cases, work experience, additional coursework beyond the Purdue Global program, fieldwork, and/or background checks may be necessary to be eligible to take or to successfully pass the exams.
